

2018 WinningEdge Resident Scholarship Winners

Forty eight residents of WinnResidential properties in 15 states and the District of Columbia received awards from the 2018 WinningEdge Scholarship Program, which provides financial assistance to individuals who have earned a high school diploma or GED, and aspire to continue their education at a college, university, or professional trade school.

Twenty five of the WinningEdge Scholars live in communities managed by WinnResidential in Arizona, California, Connecticut, Maryland, Massachusetts, New York, Rhode Island, Virginia and Washington, D.C. The remaining 23 scholarship recipients are residents of privatized military communities managed by WinnResidential Military Housing Services, a joint-venture of WinnCompanies and Lendlease. The military scholars hail from Alaska, Arizona, Colorado, Hawaii, Kentucky, New York, North Carolina, South Carolina and Texas.

Team members at WinnCompanies evaluated nearly 150 scholarship applications, including transcripts, essays and personal references, and chose recipients based on their academic performance, character, and proficiency in their chosen field of study.
